

Develop your creativity:

- ◆ Create a piece of jewellery.
- ◆ Draw a series of cave pictures to tell a story. Use to make a 'cave book'.
- ◆ Create a piece of cave music to tell a story. Record it to share in class.
- ◆ Research the West Runton woolly mammoth. Create a detailed model of it.

This half term's POWER Project is:

'Cave art'

HAND IN: by 16/10/23

Explore your mathematical skills:

- ◆ Use paint/ chinks to create a symmetrical pattern.
- ◆ Design a dice game with cave characters.
- ◆ Research the cave depths of 5 famous caves around the world. Present your information in a table and a graph.

Explore your locality:

- ◆ Is there any prehistory evidence in the local area?

Create a scrapbook about your discoveries

Choose at least 1 project to complete this half term.

You can add your own ideas too!

Extend your research skills:

- ◆ Research famous caves and write a summary of what you discover.
- ◆ Research caves with cave art. Record and explain where these are, what they show.
