<b>Key Indicator 1: The engagement of all pupils in regular physical activity</b>			
Intent	Implementation	Outcome/impact	Cost
To continue to deliver Woodland learning sessions for all children in our schools. This will increase engagement in physical activity and also support our SEMH work.	Ensure every child has the opportunity to take part in Woodland learning sessions. Develop a high quality provision.	Children will regularly engage in outdoor physical activity which will help to support their SEMH needs.	£5887
<b>Key Indicator 4: Broader experience of a range of sports and activities offered to all pupils</b>			
Intent	Implementation	Outcome/impact	Cost
To engage the children in a wider range of activities to allow them to make a broader choice of physical activity in the future	Extra-curricular sports and after-school club provision by external coaches  Creating a safe space on the field for physical education	Children participate in a wider range of activities and find new sports which they enjoy.	£12791.85
<b>Key Indicator 5: Increased participation in competitive sport</b>			
Intent	Implementation	Outcome/impact	Cost
To increase opportunities for our children to engage with children from other schools in competitive sport.	Continue links with Active Education and Premier Sports and attend sports competitions  Organise transport for events  Organise cover for events	Children will enjoy engaging in competitive events with other schools. Children will challenge themselves to increase their skills and fitness.	£880
